🔗 Portfolio

Profile

I'm a tech enthusiast passionate about learning and sharing knowledge. With a proactive mindset and a dedication to both personal and professional growth. I successfully completed my Bachelor's Degree in Computer Science, demonstrating my commitment to growth and excellence.

Professional Experience

03/2023 – 07/2023	Teaching Assistant - "Systems Analysis and Design"
Bahía Blanca, Argentina	Universidad Nacional del Sur
08/2024 – 12/2024	Teaching Assistant - "Database Systems" and "Software Modeling"
Bahía Blanca, Argentina	Universidad Nacional del Sur
01/2025 – 06/2025	Freelance Full Stack Developer
Bahía Blanca, Argentina	Transporte Vallejo (Freelance)
- Designed and developed a web-based admin platform to track truck trip expenses and automate salary calculations. - Built with Next.js and Tailwind CSS, ensuring responsive UI and high performance. - PostgreSQL used for relational data management; deployed on Vercel for scalability. - Focused on clean architecture and future-proofing with modular and reusable components. - Took full ownership: from database design to frontend/backend implementation and deployment.	

Education

2016 – 2024	Bachelor's Degree in Computer Science
Bahía Blanca, Argentina	Universidad Nacional del Sur
